

[Norton For Mac Review 2018](#)

The screenshot shows the Norton Utilities application window. The title bar reads "Norton Utilities" and includes standard window controls. Below the title bar is a navigation menu with tabs for "Dashboard", "Performance", "Privacy", "Recovery", and "Settings". The "Dashboard" tab is selected, showing a "System Health" section with a gauge indicating a "FAIR" status and a "1-Click Optimization" button. To the right, a list of "Next steps required to achieve good System Health" includes "Compact Registry", "Clear Document History", and "Bleach Free Disk Space". Below this are sections for "Performance" (showing disk usage for Softpedia (C:) at 23%) and "Privacy" (showing history counts for Windows, Internet, and Application). The bottom of the window features the Norton logo, a trial expiration notice ("Your trial expires in 30 day(s)!"), and buttons for "Activate", "Smart Update", and "Help".
